

October 8, 2014

The Board will hold its monthly meeting as scheduled for Thursday, October 9, 2014. I have attached the meeting agenda which we will follow. The main focus for this meeting will be the financial audit and review of the request for information.

Dr. Williamson will provide her report on the schools progress and any other pertinent information to the Board. We appreciate the hard work of Principal Williamson and the entire staff. They continue to work diligently to ensure the success of our students and the growth of Arrow Academy.

The financial report will be given by our Board Treasurer and the Board secretary will read minutes from our previous meeting for review and approval. The August 2014, board minutes have been submitted for posting to the schools Board site.

I will meet with the Board treasurer and school's bookkeeper on Friday, October 10th to discuss the information needed from the Board and how to provide it to her for the audit.

Thanks to everyone for their full support.
