However, the personal information of a custodial parent shall not be released to a non-custodial parent with the child's education records. AAE, unless informed otherwise, assumes there are not restrictions regarding the non-custodial parent's rights to be kept informed of the student's progress and activities. ## **GRADES, RECOGNITIONS AND FIELD TRIPS**

**GRADING SYSTEM:** Arrow Academy of Excellence follows a grading system for grades kindergarten through third grade that adheres to both the Shelby County Schools and Tennessee Uniform Grading System.

### **Report Cards and Interim Reports**

Report cards are provided to parents at the end of each nine-week period. Parents must be notified within a report card period when a student is not doing acceptable work. At the midpoint of the nine weeks, parents will be notified of students' progress; all will receive an interim report. Parent-teacher conferences should be held for gaining parental support in an effort to improve student performance.

### **Kindergarten:**

The kindergarten report cards show progress toward the state standards. The grade level standards are set by the state and indicate what a student should know and be able to do. Students are evaluated based on their progress toward meeting benchmarks for each standard. This is indicated by symbols expressing mastery or non-mastery for each skill. Additionally, the letter grades "E", "S", "N", or "U" will be used to express basic grading for art, music, world languages, and physical education (P.E.).

### **Grades 1-3**

#### **Conduct Grades**

In all schools, students' conduct is graded as "E", "G", "S", "N", or "U" and is to be reported at each grading period on the report card. Self-contained classes receive one homeroom conduct grade. Departmentalized classes each give a conduct grade.

#### **Academic Grades**

The basic grading system for knowledge/subject area is expressed by the letters "A", "B", "C", "D", and "F" according to the numerical values listed under the Grading Scale below except for first (1st) grade science, social studies classes, prek-5 art, music, world languages, and P.E. which will be expressed by the letter grades "E", "S", "N", or "U".

#### **Grading Scale**

1. A 93-100
2. B 85-92
3. C 75-84
4. D 70-74

F Below 70

### Nine-Week Grades

In grades 1-5 Integrated Language Arts and Math, a minimum of twelve (12) grades per subject per nine-week term should be recorded for every student. For all other subjects (i.e. science, social studies, art, music, world languages, and P.E.) in grades 1-5, a minimum of nine (9) grades per nine-week term should be recorded. Fifty percent of the required grades must be earned and recorded by the interim of the nine- week term. Term grades given at the end of each nine-week period will be determined by the average of daily work, oral, and written assignments, individual and group assignments, quizzes, projects, and tests. The teacher will assess all student assignments and weigh the value of grades given for various assignments within the nine-week term in computing the term grade. This procedure will enable the teacher to allow for individual student differences in the grading process. Grades for homework assignments should be given with care, since the student himself may not always complete homework. Homework assignments are of value in affording students needed practice, and such assignments should be made within practicable limits.

### Make-up Work

Regular attendance should be necessary for passing grades. In the event of an excused absence, students are expected to make up work missed within a reasonable time. In the event of an unexcused absence, one day of makeup time shall be allowed for each day of unexcused absence. A student with an unexcused absence must submit a written request to the teacher to makeup the work and must participate in an appropriate intervention (e.g., student or parent conference with the teacher, Saturday school, online tutorial, other appropriate intervention determined and scheduled by the teacher).

### Semester Grades

Semester grades for grades 1-5 are determined by an average of grades for each of the two nine-week terms.

NOTE: Semester examinations are not given in grades 1-5.

### Final Grade

Final grades are determined by averaging the two semester grades.

### Grading Restrictions

A student's academic grade is solely intended to reflect the student's acquired knowledge, ability, and/or skills in the designated subject. Therefore, academic credit / points may not be awarded or

deducted for any purpose that is not directly related to the student's academic performance. For example, academic credit/points may not be awarded as an incentive to participate or achieve a certain goal in a school fundraising event. Academic credit/points may not be deducted for failure to purchase certain brands or types of school supplies. A reasonable number of academic points may be deducted from a student's academic grade for failure to submit homework or other assigned academic work on the date specified by the teacher.

#### Parent Notification

Parents are to be notified within a report card period when a student is not doing acceptable work. Parent-teacher conferences should be held for gaining parental support in an effort to improve student performance.

#### **ACADEMIC RECOGNITION**

In grades K –3, all students will be recognized for academic achievement at Arrow Academy of Excellence. Awards will be given for exceeding, meeting, and making progress towards academic and behavior expectations.

Perfect Attendance – No absences, No tardies, and No early checkouts  
Perfect attendance will also be recognized each grading period.

**FIELD TRIPS:** No child will be allowed to leave the school without a signed permission slip from a parent. Since it is necessary to have buses and tickets purchased in advance, a refund is not available to a student who pays for a school trip but cannot attend. Money for field trips must be paid by the designated trip deadline.

**Only Arrow Academy students in that class are permitted to attend field trips. Siblings will not be allowed to attend (Policy# 6004).**

#### **TEXTBOOKS & TECHNOLOGY**

**TEXTBOOKS:** Textbooks/instructional materials are issued to the students with the understanding that the textbooks/instructional materials will be properly maintained and returned at the appointed time. Sanctions will be invoked in the event that a student refuses to pay for lost or damaged textbook/instructional materials at the replacement cost less reasonable depreciation. Sanctions are intended to prohibit lost or damaged textbooks/instructional materials through willful intent or neglect and include:

1. The withholding of all grade cards, diplomas, certificates of progress, or transcripts until restitution is made.
2. The refusal to issue any additional textbooks/instructional materials until restitution is made. (However, access to textbooks/instructional material shall be provided.)

Nothing in this policy shall prohibit any student or parent from voluntarily purchasing textbook/instructional materials.

- A. The Principal is responsible for administering this policy, including ensuring that students are provided access to textbooks/instructional materials.
- B. Parents are responsible for lost and/or damaged textbooks/instructional materials.
- C. Students are responsible for maintaining the proper care and protection of textbooks/instructional materials.

**TECHNOLOGY:** Students have access to computers in the classroom.

## **SAFETY**

**INCLEMENT WEATHER:** School may be closed early due to bad weather. When this occurs, the local public media will announce the early closing. Always inform your child of emergency arrangements. Indicate special arrangements on registration forms. Do not rely on telephone messages to your child during a weather emergency because the telephones may not be working.

**EMERGENCY DRILL:** Fire, tornado, and earthquake drills are necessary for the safety of the students, staff, and faculty. These drills are practiced throughout the school year. Specific safety guidelines are posted in all classrooms and offices. When the alarm is sounded, students are expected to follow the directions and/or procedures outlined in the emergency plans that are posted. Teachers will provide students with additional information concerning each drill. Students are reminded to pay close attention to the instructions given by their teacher during these drills.

**APPROPRIATE BEHAVIOR SHOULD BE EXHIBITED AT ALL TIMES.**

**MISBEHAVIOR DURING AN EMERGENCY WILL BE ADDRESSED FIRMLY, AS POTENTIAL HARM TOWARD OTHER STUDENTS CAN RESULT.**

## **Title 1 School-wide Program**

You have the right to request that their child's name, address and telephone number not be released to a military recruiter without prior written consent.

Paraprofessionals work under the direct supervision of a highly qualified teacher.

## **Family & Community Engagement**

Arrow Academy will convene an annual parent meeting to inform parents about the school's parental involvement programs and right of parents to be involved. We will offer a flexible number of meetings-morning and evenings, to allow an opportunity for parent participation.

We need the help of our parents as we develop our school improvement plan. To be 100% Successful, we need everyone's input.

We will provide parents a description and explanation of the (1) curriculum we use, (2) forms of academic assessment used to measure student progress, and (3) proficiency levels that Arrow students are expected to meet.

If requested by parents, we will provide opportunities to (1) formulate suggestions, (2) participate, as appropriate, in decisions relating to the education of your child, (3) and respond to any suggestions as soon as practically possible.
